

India - The First Visit Series

EASY TOURS OF INDIA

www.easytoursofindia.com ★ 512 345 1122

When our guests return from India, they all have two things in common - they tend to rave about our services & they want to tell others about us. A small sampling of their detailed comments is on our website.

*“The best trip of our lives (and we travel frequently!)” * “Hotels were perfect & the tour guides were excellent” * “personal attentive service - an absolute pleasure” * “so much nicer than the trip my friend took” * “an amazing experience and memories that I will treasure forever” * “you were great pre-trip - an amazing 21 days” * “an extraordinary trip” * “nothing but the highest praise for Easy Tours of India” * “Our trip was fantastic, all arrangements exceeded our expectations - simply excellent.”*

These are seasoned travelers that have explored many parts of the planet. They have stayed at the best European & American hotels, flown on the world's premier airlines, and been pampered by the best services & staff that the western world has to offer.

The recurring theme in their feedback is that our staff and the hotels, airlines, escorts / guides, dining, vehicles, spas, activities, & entertainment were all unsurpassed by anything in their experience.

So take their word for it! Allow us to guide you on a magical journey and we guarantee that you will be delighted.

Why are **all** our guests **delighted**?

Great values on luxury travel - Compare and you will find our prices are significantly lower than any others that offer similar luxury.

Premier Hotels & other travel related facilities - We use only the very best hotels, guides, airlines, and ground transport vehicles.

Custom travel - No one comes close to our creativity and the options we offer because no one else has the first hand knowledge that we possess.

Peace of mind - Easy Tours of India is a United States corporation with our own offices in all the major tourism destinations of India.

Expertise - We do not sell the whole world. We are specialists and focus on just one thing - providing unsurpassed luxury travel experiences.

Amazing service (*ask us for references*) - Our focus has been rewarded with a level of customer satisfaction that would be considered an exceptional achievement in any industry.

About the First Visit Series

The First Visit series starts with a 10 Day exploration of North India. For more of the best that India has to offer, 6 other Visit's are offered, with duration up to 21 days (or longer with customized additions).

All first visits include explorations of India's main tourist attractions as well as many opportunities to observe local color and customs.

The First Visit Series are ideal for your first exploration of India, and are also appropriate if you haven't visited for a while.

Three levels of hotels and services are offered - from luxurious (Deluxe Level) to almost decadent (Opulent Level).

All First Visit's can be experienced on your choice of dates (as custom visits) and they are also offered on many small group (maximum of 12 guests) departure dates.

Expert customization of the itineraries is available to suit your preferences.

International travel can be facilitated upon request.

The First Visit Series includes (among other things) :

All transportation and sightseeing in your personal chauffeured vehicle or a luxury Mini Coach (for small groups).

All sightseeing as per the itinerary with the best Tour Directors and Guides that India has to offer.

All entrance fees for everything on the itinerary.

Skilled representatives for assistance on all arrivals, departures, and hotel check ins / check outs.

Comments from travelers willing to be your references:

Feb 08. *Dr. Harold & Suzanne Mars (2nd Trip with ETI).* "I wish to highly commend your organization for their exemplary efforts in making our recent trip to India even more enjoyable (if that can be believed) than the one we took last year. The ETI guides were fluent in English, well experienced and knowledgeable, and quick to help."

Dec 07. *Deirdre & Ben Fernandes (Two families of four each).* "Your personal attentive service from the day I found you on the internet till my return back to the US was an absolute pleasure. Every hotel you picked was exquisite and as luxurious as you described. Your tour guides were amazing and knowledgeable. Your local reps were always the first person we saw upon our arrival at 6 domestic airports. Congratulations on a job well done."

Feb 07. *Laura & Jim Gregory .* "We can truly say it was an extraordinary trip - fascinating and interesting in every respect. We have nothing but the highest praise for Easy Tours of India".

Oct 06. *Judy Bernice & Paul Dreyer.* "This was the best trip of our lives (and we travel frequently!). We were initially nervous about booking a trip entirely on-line, but Easy Tours delivered exactly as promised. All of your suggestions were right on target".

Apr 06. *Christine Bosworth.* "I want to express my deepest gratitude to all the special people at Easy Tours for making my trip to India one that I will always remember. As a single, American woman traveling alone, you and your staff made sure that I felt safe and secure every step of the way. The hotels, guides and driver that you assigned to me exceeded all of my expectations".

Dec 05. *Alfena & Allan Norville.* "Thank you for providing Allan and me a wonderful tour of India last month! Our trip was beyond expectations! We have made many other trips to all parts of the world, but our trip with you was unsurpassed".

Feb 05. *Leo Russ & Katherine.* "We would like to thank you for providing us with one of our all time favorite vacations. We were treated like royalty by our guides and hotels throughout the tour. Every time we saw an A & K tour bus or tour guide we looked to the heavens and thanked the stars that we were on your tour rather than theirs".

Nov 04. *Bruce Cohn.* "Definitely the best tour we have taken. We went to India as part of a vacation to China also. I wish the Chinese agent had done half as good a job".

Review our comprehensive website & these other brochures:

Build your Own Visit ★ The Discover India Series

Almost half of our guests select Custom Visits, which are designed around their preferences. Some start by using the Award Winning “Build Your Own Visit” Tool on our website, while many others just pick up the phone.

Our knowledgeable visit design staff are always just a phone call away - whether it is to give you information and advice, make recommendations, or offer alternatives. Hundreds of our guests (who are willing to be references for you) have praised us extensively for the services we provided before their tour began - no other agency can make such a claim!

The Discover India Series are popular itineraries that can be enjoyed on your choice of dates. In comparison to the First Visit Series, they allow you to concentrate on more specific areas and agendas. Customization to accommodate your preferences is a regular feature.
